

**Trust The Timing of God
Sunday, April 3rd, 2022
Pastor Babs Olufotebi**

HERE'S THE BIG IDEA

In this message, Pastor Babs shared the key to trusting the timing of God is remembering what He has done in our lives. Trusting the timing of God for the “new things” He wants to do in our lives will require us to believe what God says, follow His path, praise Him when we cannot see it and believe His plan will be fulfilled in our lives.

KEY SCRIPTURES (NASB)

Isaiah 43: 15-19, Proverbs 3:5, Psalm 150:6

FOOD FOR THOUGHT

On a scale of 1 – 10, rate your “patience threshold”. Over the course of your life, has it gotten better, worse or is it somewhere in between? Explain

LET'S TALK ABOUT IT!

I. Trust & Believe God Can Do a New Thing

Q: Share a “new thing” you are trusting and believing God for (ministry, job, business, family, finances, spouse etc....) Explain

II. Trust The Path of God in The New Thing

Q: Describe the path you are on as you wait on the Lord and the impact it is having upon your attitude. Explain.

III. Trust God Enough to Give Him Praise in The New Thing

Q: Share how giving God praise is sustaining you while waiting on Him. Explain.

IV. Trust God to Fulfill His Promise in The New Thing

Q: Share a promise God has given you while waiting on the new thing He is doing in your life. Explain.

LIVE IT!

When trusting and believing God to do a “new thing” in our lives or “anything” for that matter, we must pray and exercise patience while waiting. God’s timing is always perfect, but things fall apart when we attempt to direct our path versus waiting on the Lord.

Today, lets continue to praise God for who He is. Continue trusting, believing, and magnifying His holy name. Keep waiting as He is doing a “new thing” and we will see His promises fulfilled in our lives, in Jesus name...Amen.
